crêpes

I was surprised to find out that the original crêpes are a pretty simple meal

From what I've heard, Europeans traveling to Asia are just as shocked at the amount of filling served there

A cake
Erenia
doesn't
even know
of

The Japanese even put
fermented beans into crêpes!

MUMMIES

Ancient Egyptian
Burial method

"There were times when they
were dug out and turned
into fine powder"

Witchy Victorians
turned them as a
healing source

They were also
turned into alcohol
or drugs, quite the
tough love for the
poor mummies

Even as the most precious of
treasures, Tutankhamun, was
unearthed, the explorers
decided to just "put it up so it's
easier to carry" No wonder
they ended up being cursed

By the way the term,
used by the conservation
of the mummies is
available in Japan too - as
mummies of

The usual encounters with devil incarnations tend to be pretty nasty stories, but the devil from *Senran* is just too cute.

There are many stories where the devil at the very end returns with the girl without the man, but a devil scene is only because he was burned down can probably only exist in *Senran*.

The ending is not strange.

RESEMBLING
AUNTIE
CLOTHES

①

Apparently, outside of Japan, the sailor uniforms is more closely associated with maids, and the way they spread here caused a mixed experience of food.

It probably looked so odd to them as a fashion covered with a skirt.

Nowadays, the trend is more accepted now.
